FYI Chicago raised their minimum wage from \$8.25 to \$13.00 over 5 years: <http://www.chicagotribune.com/news/local/politics/chi-chicago-minimum-wage-increase-13-20141202-story.html>

The Seattle City Council voted to gradually raise the minimum wage to \$15 an hour. The plan gives businesses with more than 500 employees nationally at least three years to phase in the increase — four if they provide health insurance. **Smaller employers get seven years.**
